

## What is RightNow Media?

Described as the Netflix of Christian Bible study, here is what it says on their website:

*Revolutionizing Ministry in Over 15,000 Churches*

We believe the mission of the church matters. And we've seen how God can change lives through video resources. That's why we developed RightNow Media. Now, every person in your church can access over 15,000 Bible studies. RightNow Media has studies for small groups, families, students, leadership development, and much more. Our content comes from over 250 top Christian publishers and ministries.”

## How does a Community Group access RNM?

MVPC has a subscription which gives unlimited free access to everyone in our church. Send an email to Colleen Giovanni (cgiovanni@mvpctoday.org or call 925.376.4800x285) to request access. You will then receive an email invitation / link which allows you to set up your own account. **Keep track of your personal login and password, as MVPC does not have a way to know your login or password.** Once you have set this up, you can log in to RNM any time you want, from any computer/Apple tv/Roku. You will notice that on the far left side on the main page, there is a list of “Libraries.” Scroll down to our customized library under “Moraga Valley Presbyterian Church.” These are suggested studies for a variety of themes, but you are not limited to only these. You can watch videos from any of the categories listed on RNM’s main page.

Please contact Colleen Giovanni or Bob Bratton (bbratton@mvpctoday.org) with any questions.
