Best To Come Sermon Series: 2 Corinthians 5:21-6:1

“The Gospel is Ours to Give Away”

1. Brandon made the comment in his sermon, “before Jesus we saw the world differently.” Since meeting Jesus, what are some things you’ve changed your mind on, or how have you been taught to see the world differently as a result of knowing Christ?
2. The sermon highlighted several ways in which we avoid God’s work of transformation. What’s an area of your life that you’re hesitant to let the Lord change, and why?
3. If God has given us a job, what 2 Corinthians 5 calls “the ministry of reconciliation,” what are the areas of brokenness in our community that you see that you’re praying God will restore and fix? Hint: He wants to use people like us to see the world healed and restored!
4. Read Matthew 13:45-46. If Jesus is the pearl of great price (He is), who are you planning to share that with? Who can you start to pray for today that you want to come to know Jesus?
5. Brandon talked about the source of authority for what Paul labels as “ambassadors.” Jesus has sent us into the world, and we do so by His authority. How might our lives be different if we started to believe that the way we live, act, and love others came with Christ’s authority? Would we live any differently?
