Six Stones: An MVPC Value Series | "Hospitality Driven"

1. **Icebreaker:** Imagine having dinner with someone famous or no longer living that you'd like to eat with. Who is it, why did you choose that person, and what would you eat?
2. **Read Hebrews 13:2.** What are some of your barriers to being hospitable?
3. **Read Acts 2:46.** What are some ways your Community Group has fun, or has what Luke writes as having "glad and sincere hearts?" If you need to have more fun together, what would fun/joy look like for your group?

Scholar John Polhill writes about verse 46, "It was an ideal, almost blissful time marked by the joy of their life together and the warmth of the Spirit's presence among them."

4. Pastor Brandon said, "Peter preached repentance, but the community in Acts 2 was living that out." Why does the world need to see a repentant church?
5. Plan a dinner with your Community Group. If your group is larger, plan several smaller dinners where you can invite new guests.
