

## Community Group Discussion Questions

Moraga Valley Presbyterian Church | Sunday, May 21, 2023

Six Stones: An MVPC Value Series | "Healthy Relationships"

1. **Icebreaker:** What are you looking forward to this summer?
2. Tell your group what vulnerability looks like for you. (**Note:** It's different for each person.)
3. **Read 2 Corinthians 11:22-30.** Paul went through a lot of hard times, and God still used him in amazing ways. We often say we can't do something for God because we lack knowledge, courage, etc... What barriers do you think you have for God using you?
4. **Read John 3:30.** Talk with your group about what John the Baptizer means about "decreasing." How can we continue to "decrease" so that Jesus can "increase?"
5. Was there ever a time in your life that you weren't allowed to be weak? Tell your group about a time in which you didn't have permission to be weak. What happened?

If your group has a multi-cultural expression, encourage your group to talk about how different cultures might view public displays of weakness.

6. Spend the last 10-15 minutes of your gathering praying for one another. Your group may have had some weaknesses shared, pray that God would be the strength for those who shared their weakness.
