Joyful Surrender: A Vision Series | "A Church Set Apart"

Read 1 Peter 2:4-10

Our Vision + Mission Statement:

We see a vibrant and diverse community that joyfully surrenders all of life to making disciples for the glory of Jesus.

1. How have you experienced God choosing you, even when you were undeserving? How does knowing you are chosen by God impact your identity and purpose?
2. What stuck out to you from the sermon about our new identity in Christ as a "royal priesthood" and "holy nation"? How should this shape how we live?
3. How can our church family live as a "non-ignorable presence" in our community that draws people to Jesus? What could this look like practically?
4. The sermon talked about the "priesthood of all believers." What do you think this means? How can you use your gifts to reach the next generation for Jesus?
5. Spend time with your group praying for a person by name to **BELONG** to Jesus.
