### **Our Vision + Mission Statement:**

We see a vibrant and diverse community that joyfully surrenders all of life to making disciples for the glory of Jesus.

1. The sermon talked about how we can often rely too much on our own power and influence rather than God's power. In what areas of your life do you tend to rely on your own power instead of trusting in God?
2. The Kingdom of God is in opposition to the values and priorities of worldly kingdoms. In what ways should the Kingdom of God challenge and oppose the values of our culture today?
3. The sermon talked about how the gospel message came with power and "deep conviction." What convictions has the gospel given you that have deeply impacted the way you live?
4. We're called not only to personally experience God's power but also to display it to others through acts of service. What are some untapped gifts or talents you have that could be used to serve others in the name of Jesus?
5. What are some creative ways we could better serve and engage with our local community?
