Joyful Surrender: A Vision Series | "A Church Transformed & Transforming"

Read Colossians 1:28-29

Our Vision + Mission Statement:

We see a vibrant and diverse community that joyfully surrenders all of life to making disciples for the glory of Jesus.

1. In what ways have you been tempted to find fulfillment in things other than Christ? How does this passage reorient your perspective? (*Read Colossians 1:15-2:5 for a broader context*)
2. What stood out to you from the passage in Colossians 1:28-29? What do you think it means to "proclaim Christ" and make disciples?
3. Why do you think community is so important for growing spiritually? Share an example of how your community group has helped your walk with Jesus.
4. What do you think it looks like to "admonish" and "teach" others towards their maturity in Christ? How can we do this better?
5. As we seek to make disciples, where do you sense the Holy Spirit empowering or leading you? How can we pray for and encourage each other in this calling?
